## One More Chance to Double Your Money

The Linden Hills Environment Committee has extended its deadline to November 28 for the Parish/Hendry Family Foundation Match. We are very close to raising \$10,000, which is the maximum the Foundation will match.

With your tax-deductible contribution we can continue keeping elms healthy, planting trees, eradicating buckthorn, helping protect our watershed, maintaining the Trolley PATH, among other neighborhood environmental issues.

Send contributions, made payable to LHiNC (with Parish/Hendry Match on the memo line) to:
